BioFit Customer Advantage

BioFit's focus every day is to improve the workplace experience through ergonomic performance, comfort, style and reliability.

Leading the Industry in Technical Seating—Your ergonomics seating solutions source: Identified by a majority of the top 50 experts in the ESD and clean room industry as the source for technically superior seating solutions.

Product Advantages—Lowers cost of ownership: Nearly all BioFit products are warranted to the original purchaser against mechanical or structural failure due to defective material or workmanship for 13 years of normal, multi-shift use. Pneumatic cylinders are covered for the functional lifetime of the chair or stool.

Supply Chain—Higher customer satisfaction: No-surprise delivered prices – ground freight to lower 48 states included on all orders over \$3,500 list pricing.

Value-added Services—Assure you get the seating solution you need: Due to the modular construction of our products, users can use the Build Your Own Chair seating configurator to create, request a quote and order seating for their unique requirements, right from their smartphone. Plus, BioFit offers a 30-day “try before you buy” sample program, allowing customers to field-test seating at their location.

More Than Seating—BioFit Tables & Carts: BioFit manufactures a full line of mobile folding tables, cafeteria tables and multipurpose carts.

Shop the leader, shop biofit.com today!

Award-winning seating solutions for education, technology, industrial, laboratory, healthcare, office and custom applications.
